With Thanks

To Jay Dufty (currently the Director of Golf at Washington Golf & CC) who was the driving force and Chief Mentor for TPGF Golf #1. His guidance and support were essential to launching this Event and we are always Thankful.

To 9 of our Fellows for pitching in (some very late in the process) to make the logistics work to insure that a great time was had by all 91 players this year. Shout-outs to onsite Fellows Jack Pinkerton, Indiana University, Hayln Schoenfeld, Elon, Avery Weismann, Wm&Mary, Wade Pinkerton, Villanova, Julia Boller, Va Tech, Ben Hoffman, James Madison, Andrew Merenda, Tampa.

Additional thanks for remote support to Meredith Moore, South Carolina & The Brand Center, for creative design on our printed materials and collateral and Caleigh Stenger, South Carolina, for assistance with TPGF Auction signs.

Special thanks TPC Potomac Pro Derek Stenson for all things golf related and Kati Karolyi for all things F&B. TPC Potomac is once again as good as it gets in Golf Facilities and Management.

Also very special appreciation wishes to our TPGF Golf Advisors for their never ending efforts to help build the Foundation !
